President

Introduction of the Candidate (*short CV with experiences and achievements in the biodiesel sector plus short declaration explaining the rationale of your candidature and, if relevant, your project for EBB in 2013-2015*):

1986-1988 Apprenticeship at Oelmühle Hamburg AG (today ADM Hamburg Aktiengesellschaft)

1988-2009 Different management positions within ADM in Germany and Switzerland

Since 2009 Board Member of ADM Hamburg Aktiengesellschaft

Since 1995 Continuous involvement in German and European biodiesel sector

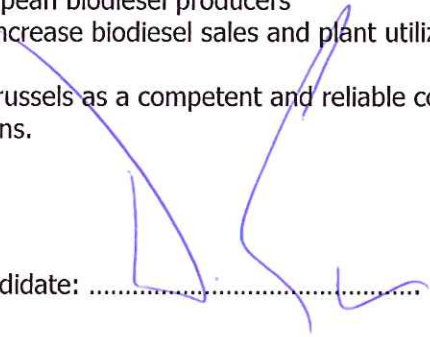

- Since 2001** Board Member of VDB, German Biofuels Association
- Since 2008** Executive Board Member of EBB
- 2011-2013** President of VDB
- Since 2013** Vice president of VDB
- Since 2013** Acting Board member of OVID, German Crushers Association

Rational of my candidature:

My specific goals, alongside with the general goal protecting the interests of European biodiesel producers, are:

- Prevent that provisions from iLUC discussion will lead to a biodiesel phase-out in Europe
- Maintain political support for biodiesel in the European Union beyond 2020
- Improve the image of biodiesel in public and politicians opinion
- Secure European biodiesel producers stay together speaking with one voice in Brussels
- Secure a level playing field for all European biodiesel producers
- Develop new marketing pathways to increase biodiesel sales and plant utilization and to fulfill the RED mandate
- Strengthen EBBs good reputation in Brussels as a competent and reliable contact for politicians, media and other associations.
