Elections November 2013

Picture of the Candidate:

(please paste here right a digital picture)

Details of the Candidate

Name: ...Lars.....

Surname: ...Lind.....

EBB Member Company: Perstorp BioProducts AB.....

Position of the Candidate

In the EBB Member Company: Managing Director.....

I Candidate myself as EBB (you are free to tick the three possibilities or just two or one of them):

Board Member

Vice-President

President

Introduction of the Candidate (short CV with experiences and achievements in the biodiesel sector plus short declaration explaining the rational of your candidature and, if relevant, your project for EBB in 2013-2015):

.....Chemical Engineer by education with 30+ years experience from chemical industry.

.....Instrumental in creating Perstorp's biodiesel business

.....MD in Perstorp BioProducts since 2011

.....Maintains a market share of biodiesel in Sweden of 45-50 %

.....Have successfully developed an arctic B100 grade of post-treated RME; market now 50 kton

.....Board member in Svebio; an association of bioenergy producers in Sweden

.....Board member of IKEM; the association of Chemical Industry in Sweden

.....Active contacts with government on Biofuels legislation

.....Successful lobby activities on national quota and ILUC proposal

.....Strong scientific network

.....If elected to the EBB Board, I will bring my Scandinavian network to the benefit of biodiesel, and will actively work to prove the sustainability and viability of crop based FAME:s in order to diminish the effects of the current Commission proposal regarding the 1:st gen cap and ILUC factors
